

Uruguay
Ministry of Labor and Social Security
Mission and Vision

Mission

The Ministry of Labor and Social Security is the leading institution in the design, implementation and evaluation of employment policies, vocational training, labor relations and social security at the national level. It promotes social dialogue, decent work and the culture of work, compliance of the labor regulations, prevention and resolution of conflicts through collective bargaining, improvement of working conditions and social security, and respect of the Fundamental Rights of workers, seeking the integral development of people to contribute to the achievement of a productive, sustainable, innovative and inclusive country.

Vision

To be the public institution recognized for promoting decent work and the culture of work, guarantor of fundamental rights in the labor environment and responsible for social development, in an environment of dialogue and social peace through transparent, effective and efficient management with a team of trained, motivated and committed people.
